

CLÉS MIXTES

EGA Master offre une vaste gamme de clés, mastergear, mixtes, polygonales, à fourche, etc. Fabriquées en **acier de Chrome- Vanadium**, elles résistent largement les valeurs de résistance des standards dont la qualité est très exigeante.

Zone de charge des clés plates pour vis et écrous conventionnels.

Zones de charge des clés pour vis et écrous EGA Master.

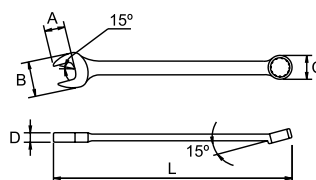

Autant en mm qu'en pouces

1. Pour serrer les écrous et vis d'une manière facile et confortable.
